Could we forget the patience  
Could we forget the past we're hidin' in  
Could we forget the present that's over  
Could we forget the time that's left to lose

'Cause it's me who's erodin'  
Couldn't you find me  
Couldn't you find me out there  
I'm here, I'll wait forever  
So couldn't you find me  
Couldn't you find me out there

Could we forget the nonsense  
Could we forget the way and carry on  
Could we correct the future we're facing  
Could we expect the best of everyone

'Cause it's me who's erodin'  
Couldn't you find me  
Couldn't you find me out there  
I'm here, I'll wait forever  
So couldn't you find me  
Couldn't you find me out there

You remind me, you remind me of the rain  
You remind me, you remind me

'Cause it's me who's erodin'  
Couldn't you find me  
Couldn't you find me out there  
I'm here, I'll wait forever  
So couldn't you find me  
Couldn't you find me out there
