

Excuse Me Moses "Dogs With Bones"

Dogs with bones Â– they got what I want
They take it slow and just let it flow
And cats with claws Â– they just wanna play
There's cats and dogs in authority

Come, stroke me Â– provoke me
I won't bite anybody
Come feed me and treat me
Just like you treat your lover

Dogs with bones Â– they get what they need
They're gettin' stoned Â– there's a place to be
Left alone in the prison fight
When cats and dogs wanna make it right

Come, stroke me Â– provoke me
I won't bite anybody
Come feed me and treat me
Just like you treat your lover

Come, stroke me (stroke me) Â– provoke me (provoke me)
I won't bite anybody
Believe me (believe me) and feed me (feed me)
Just like you feed your lover

Dogs with bones
Cats with claws

Come, stroke me (stroke me) Â– provoke me (provoke me)
I won't bite anybody
Come feed me (feed me) and treat me (treat me)
Just like you treat your lover

Come, stroke me (stroke me) Â– provoke me (provoke me)
