

Excuse Me Moses "Godzilla Killa"

I'd be a chiller, a ladyfiller and I'd kill the godzilla
This is what my life would look like if I'd be a superhero
I'd wear a mask and a basket, be a superygymnastic
I'd be a supermodel of the supermodels in the world,
yo!

And if you think I'm lyin', you're wrong
Someday I'll be a superhero
And I'll tell you that from now on
Godzilla's dead!

It would be funny, bright and sunny, have my own
playboy bunnies
I'd drive a super car, that's super strong - I think
that'd be funky
I'd wear some silver on my fingers, that would pull all
my triggers
I'd be a supermodel of the supermodels in the world,
yo!

And if you think I'm lyin', you're wrong
Someday I'll be a superhero
And I'll tell you that from now on
Godzilla's dead, 'cause I killed him
With my own hands
Just for helpin', for helpin' my friends
Be held in great esteem
Hear shouts when I get seen
A superhero I wanna be

Supermodel of the supermodels in the world, yo!
I'd be a supermodel of the supermodels in the world,
yo!
Supermodel of the supermodels in the world, yo!
I'd be a supermodel of the supermodels in the world,
yo!

And if you think I'm lyin', you're wrong
Someday I'll be a superhero
And I'll tell you that from now on
Godzilla's dead, 'cause I killed him
With my own hands

Just for helpin', for helpin' my friends
Be held in great esteem
Hear shouts when I get seen
A superhero I wanna be
