Building castles in the air  
In the middle of nowhere  
And I'm thinking of you  
You caught me staring at the sun  
I only tried to get it done

I wonder if you think of me on rainy days  
And I wonder if you think of me in different ways  
I wonder if you know that someone's counting days  
And I wonder where you are

Both, a blessing and a curse  
But in any case diverse  
That I'm dreaming of you  
Another day has just begun  
So I could try to get it done

I wonder if you think of me on rainy days  
And I wonder if you think of me in different ways  
I wonder if you know that someone's counting days  
And I wonder where you are

I wonder where you are

I wonder where you, where you are  
I wonder where you, where you are  
I wonder where you, where you are  
I wonder where you, where you are  
Where you are ... no, no

Building castles in the air ...
