Now, that we have come so far  
I still don't know who you are  
But I need to know what I can  
Tell myself about you  
For the sake of clarity  
Could you tell me what you feel for me  
It's a shame we can't succeed  
In ourselves this time

Tell me, tell me what's our remedy  
Tell me, don't keep me waitin'  
Tell me, tell me what's our remedy  
Tell me what you're hindin'

Did you lose your confidence  
You still say you cannot add yourself as a friend  
But that is just not the case  
My friend

Tell me, tell me what's our remedy  
Tell me, don't keep me waitin'  
Tell me, tell me what's our remedy  
Tell me what you're hindin'

Tell me [6x]  
What you're hiding

Tell me, tell me  
What you're hiding

Tell me, tell me, tell me ... [fading]
