

Excuse Me Moses "Speed"

Visit "[Speed](#)" on MotoLyrics.com

I need some speed
To slow down
A gentle breeze
To calm down
When I think of you
I break down
It's time to pay
Cash down

One, two, three
You better count on me
Three, two, one
Count down and you will see
Anything that I can do
I will show it to you

(woohooohooo)

Get me some speed
To shut down
I'll break some bones
Low down
When I look at you
I close down
It's time to run
Touchdown

One, two, three
You better count on me
Three, two, one
Count down and you will see
Anything that I can do
I will show it to you

(woohooohooo)

One, two, three
You better count on me
