Get me another drink now  
Get me another pill  
I think, I should swallow everything at once  
I can't find the way out  
I just feel the pain  
But I know I should try it again  
Now I know

I can make it - exit permit  
I know I can make it anyhow  
I've seen myself in wrong dimensions  
I can't wait to reach the here and now

What is your opinion  
What do you want  
I try to adjust myself if that's the point  
Get me another drink now  
Get me another pill  
So I can try to try it again  
Now I know

I can make it - exit permit  
I know I can make it anyhow  
I've seen myself in wrong dimensions  
I can't wait to reach the here and now

Come, get me around (get me around)  
The things that I want (the things that I want)  
Come, get me around, around now, now  
Reach the here and now

Reach the here and now  
Now, now  
Reach the here and now  
Now, now  
Reach the here and now

I can make it - exit permit  
I know I can make it anyhow  
(Reach the here and now)  
I've seen myself in wrong dimensions
