Ho ho fucking ho, what a crock of shit  
We all work for Santa Claus, we've had enough, we quit  
'Cause we do all the fucking work while he stars in the  
show  
Stick ya christmas up your arse, ho ho fucking ho.

I'm Rudolph and I quit, just who's he think he is,  
That little fat cunt's at back in the sleigh, cracking that  
fucking whip  
And me stuck up the front with these other useless  
cunts  
Stick ya christmas up your arse, ho ho fucking ho.

Ho ho fucking ho, what a crock of shit  
We all work for Santa Claus, we've had enough, we quit  
'Cause we do all the fucking work while he stars in the  
show  
Stick ya christmas up your arse, ho ho fucking ho.

And what about us elves, we've had enough as well.  
Working in that freezing factory cold as fucking hell  
Working till we drop, with our bollocks brazing off.  
Stick ya christmas up your arse, ho ho fucking ho.

Ho ho fucking ho, what a crock of shit  
We all work for Santa Claus, we've had enough, we quit  
'Cause we do all the fucking work while he stars in the  
show  
Stick ya christmas up your arse, ho ho fucking ho.

I'm Santa Claus' wife, I know what he's really like  
Sneaking into them little kids rooms he's a fucking  
pedophile.  
A devious old drunk and I'm married to the cunt.  
So stick ya christmas your arse, ho ho fucking ho.

Ho ho fucking ho, what a crock of shit  
We all work for Santa Claus, we've had enough, we quit  
'Cause we do all the fucking work while he stars in the  
show  
Stick ya christmas up your arse, ho ho fucking ho.

Stick ya christmas your arse, ho ho fucking ho. (x2)
