I'm so worried about what's happening today,  
In the Middle East, you know.  
And I'm so worried about the baggage retrieval  
System they've got at Heathrow.  
I'm so worried about the fashoins today,  
I don't think they're good for your feet.  
And I'm so worried about the shows on TV  
That sometimes they want to repeat.  
I'm so worried about what's happening today,  
In the Middle East, you know.  
And I'm so worried about the baggage retrieval  
System they've got at Heathrow.  
I'm so worried about my hair falling out,  
And the state of the world today.  
And I'm so worried about being so full of doubt  
About everything anyway.  
I'm so worried about modern technology,  
I'm so worried about all the things  
That they dump in the sea.  
I'm so worried about it, worried about it,  
Worried, worried, worried.  
I'm so worried about everything that can go wrong.  
I'm so worried about whether people like this song.  
I'm so worried about this very next verse,  
It isn't the best that I've got.  
And I'm so worried about whether I should go on  
Or whether I shouldn't just stop.  
I'm so worried about whether I ought to have stopped.  
And I'm so worried because it's the sort of thing I ought  
to know.  
And I'm so worried about the baggage retrieval  
System they've got at Heathrow.  
I'm so worried about whether I should have stopped  
then,  
I'm so worried that I'm driving everyone round the  
bend.  
And I'm so worried about the baggage retrieval  
System they've got at Heathrow.
