I gave up and put my heart into
Something you wouldn't do
You cut, cut me out
Just when this began to die
I grabbed the reins without you, so I

Crawled into the desert
Traveled throughout time
And i'll fight to keep this feeling alive
I'm done with goodbyes

It's the greatest mistake
That you make, when you leave
Made your latest mistake with me
Here's a chance you can take
To repay what I need
Don't make another mistake with me
Yeah, yeah, yeah

I looked up
It's armageddon when
The sun is brightening
Just get, get me out
Just when this began to die
I raced the clock to stop you, so I, I

Crawled into the desert
Traveled throughout time
And I'll fight to keep this feeling alive
I'm done with goodbyes

It's the greatest mistake
That you make, when you leave
Made your latest mistake with me
Here's another chance you can take
to repay what I need
Don't make another mistake with me
Yeah, Yeah, Yeah

I didn't know it
I swear I didn't know this was the end
Didn't know this was the end

I couldn't stop it
I swear I couldn't stop the caving in
Couldn't stop the caving in

Crawled into the desert
Traveled throughout time
And I'll fight to keep this feeling alive
I'm done with goodbyes

It's the greatest mistake
That you make, when you leave
Made your latest mistake with me
Here's a chance you can take
To repay what I need
Don't make another mistake with me
It's the greatest mistake
That you make, when you leave
Made your latest mistake with me
Here's a chance you can take
To repay what I need
Don't make another mistake with me
Yeah, Yeah, Yeah
