A. Gurvitz)

I am the clown in the show

She is the star, star don't you know

She is the knife in my life

She's heaven, she's the rider, you know that she is
heaven

You know that she's heaven

She's the rider

A natural born jester like me

Hopes to make someone, someone like you

Plays all his cards right up front

She's heaven, she's the rider

REPEAT

Bareback, she's the rider, she rides for you, not me

We don't know what's inside her, it's just for her to see

I'm the undercover lover

But she'll never know

Bareback, she's the rider

Rider of the show

I'm the one that is small, she has the look, look like
them all

Hides behind make up and laughs, she's heaven, she's

the rider

You know that she's heaven

She's the rider

So on and on I go

Feeling the love, love in me grow

Seeing the sun, I am the one

She's heaven, she's the rider

She was the fox on the run

I was the hunt, the hunt she won

I was the fool on the hill to heaven, she's the rider

You know that she's heaven

She's the rider

Heaven, she's the rider
