A. Gurvitz)

My life's not wasted, I'm trying to give all that I've got
My life's not wasted, I'm trying to love you, I need you
To need what I want

Try not to hurt me with problems, 'cause problems
ain't what I want
They'll just distract me from trying to love you, I
Need you to need what I want

I've got to try before I die to make these dreams come
true
All those years and all those tears
I have to come on thru
I have to come on thru

REPEAT 1st VERSE
