Baby, I wanna be with you  
I wanna be with you  
& you're the only one I wanna hear that I wanna hold  
Be with you  
I wanna be with you  
Your always on my mind everyday & every night  
The only one that knows how sex should be like  
I wanna be with you, only you  
Ay they can say what they want but they don't know  
what we've been through  
Ay they can do what they like but they can't break us  
in two  
Cause I know where stronger than this  
They can't say nothing  
They can't take your loving  
Keep it real for me & I'll hold it down for you like that  
& I know we'll get through  
I just know we'll get through

course

Give you everything you want  
Give you everything you need  
Put you in my life  
Put me in the Lamborghini  
Million dollar stacks  
Rain on me  
I'll thank you later in the bedroom baby  
Tell me  
It ain't tricking if you got it  
So what your asking  
What your asking  
But you know  
I got everything I need right here  
Excite you slightly  
Maybe I can be your wifey

Course

I know how they are  
I know what they do  
Trying put me down

My friends keep telling me to leave you now  
But ay were gonna live together baby  
Ain't nothing your friends can say  
Ain't nothing my friends can do Because...
