Iã,â'm in state of unhappiness, and the sadness  
Man itã,â's just too much for me  
Never felt so lonely, cut off from you  
The way that Iã,â'm feeling now  
I stand out from the crowd, simply because theyã,â're  
smiling  
And naã've for me to think that we were gonna last

I was your butterfly  
I wasã,â...your butter  
I was your butterfly  
I wasã,â...your  
Now Iã,â'm a butterfly with no wings  
Falling in and out of relationships  
Canã,â't keep it together causeã,â'  
I was your butterfly  
I wasã,â...your butter  
I was your butterfly  
Butterfly heartbreak  
I was your butterfly  
I wasã,â...your butter  
I was your butterfly  
Butterfly heartbreak

Thinking about you  
Everyday & every night  
When I first saw you, I swear Iã,â've could of seen a  
halo  
A halo  
Never imagined Iã,â'll be crying these tears  
Youã,â've have been heartless throughout all of these  
years  
But I was trying to live make-believe  
Now Iã,â'm a butterfly with no wings

I was your butterfly  
I wasã,â...your butter  
I was your butterfly  
I wasã,â...your  
Now Iã,â'm a butterfly with no wings  
Falling in and out of relationships  
Canã,â't keep it together causeã,â'

I was your butterfly  
I wasÃ,Â...your butter  
I was your butterfly  
Butterfly heartbreak  
I was your butterfly  
I wasÃ,Â...your butter  
I was your butterfly  
Butterfly heartbreak

Butterfly  
Butterfly heartbreak  
Break  
BÃ,Â...break  
Break  
Butterfly heartbreak

I was your butterfly  
I wasÃ,Â...your butter  
I was your butterfly  
I wasÃ,Â...your  
Now IÃ,Â'm a butterfly with no wings  
Falling in and out of relationships  
CanÃ,Â't keep it together causeÃ,Â'  
I was your butterfly  
I wasÃ,Â...your butter  
I was your butterfly  
Butterfly heartbreak  
I was your butterfly  
I wasÃ,Â...your butter  
I was your butterfly  
Butterfly heartbreak
