They tell me to pop that bottle
Iâ€™ll pop my bottle
They tell me to pop that bottle
Iâ€™ll pop my bottle
They tell me to pop that bottle
Iâ€™ll pop my bottle
Like oh, oh
Take it to the floor like oh, oh
Take it to the floor

Iâ€™ll pop that bottle like oh, oh
Iâ€™ll make that booty drop like low, low
And the players are staringâ€™ like whoa, whoa
Cause they havenâ€™t seen no body who pops it better
than me

They tell me they like my cherry pop
Can you sit on my lollipop
Later can you lick it off
Cause they havenâ€™t seen an
Ass like mine
Iâ€™m so fine
You cant deny
Now Iâ€™m rhyming shit together
Have you seen that DJ player

course

Sexy baby
What you want
Pop it better than anyone else
I work hard for my dough
Ice, ice, ice
Give me more
You canâ€™t ignore
But you look so sore
Iâ€™ll ride it on the floor
Now Iâ€™ve got to go

course

Iâ€™m a machine

I know that
don't believe everything you see on TV
Considering a late night movie
I can be that sexy playboy bunny

course
