It's me  
It's wonder woman  
Come here  
I wanna taste you  
I'll promise I won't hurt you  
Ooh Yeah  
Oops, oops, oops, oops

I've got rocks in the pokey  
The guys love it when they call me foxy  
don't hate yourself coz' you can't do it like I can  
I do it better  
I do it on the sofa  
you call yourself a playa  
man your just another

My nickname is wonder woman coz' I give them  
wonders in the bed  
They love how I do it they say they wanna do it again  
and again and again  
I go up and down  
I twirl myself around  
I'll go upside down  
just to please you  
let me please you

Coz' I'm wonder woman let me show u why again

My nickname is wonder woman coz' I give them  
wonders in the bed  
They love how I do it they say they wanna do it again  
and again and again

I'll go upside down  
just to please you
