V1.

I would gladly mind my manners if you'll hold me in
Esteem,
And I think that in these pages, there are things you'd
Like to read
About love and all the crazy things it'll make a person
Do.

Well, it seems the evening's over and I need to catch a
Ride,
But I hope the things we spoke of start to eat you up
Inside.
Don't you sleep 'til you feel okay.

Now I'm gonna go my way, but my hands are clean
today.
But for now, I gotta say...

CHORUS:

Goodnight, Rosa. La da da de da. (x3)
Rosa remember me.

V2.

Well, the math is really simple when you know you have
A need,
And you shouldn't stop for something that you know
Can't make you free.
This is a choice that separates your life.

It'll push you to your edges. You'll wanna just unwind.
But you know, you seek, you find.

CHORUS:

Goodnight, Rosa. La da da de da. (x3)
Rosa remember me.

Rosa remember...
