Verse 1

Stupid people call me an emo
But I know they're just dumb and slow
Still I think why do they call me that?
Is it coz my nails are red and black?

Verse 2

Some people call me uncool
Is it coz I like school?
Or is it coz I don't dress like a whore?
Or on my test I get a high score?

Chorus

Why do people do that?
Make others feel like crap?
They think they own the world
Picking on little boys and girls

Verse 3

Some people call me a Bogan
But I'm fine coz it's my slogan
My shoes are scabby and old
And I can't afford Black and Gold
