Here's a little number I wrote the other day while out  
duck hunting with a judge, QUACK

Fuck you very much the FCC  
Fuck you very much for fining me  
Five thousand bucks a fuck so I'm really out of luck  
That's more than Heidi Fliess was charging me.  
So fuck you very much the FCC  
For proving that free speech just isn't free  
Clear Channel's a dear channel  
so Howard Stern must go  
Attorney General Ashcroft doesn't like strong words and  
so  
He's charging twice as much as all the drugs for Rush  
Limbo  
so fuck you all so very much

So fuck you very much dear Mr. Bush  
for heroically sitting on your tush  
For Halliburton, Enron, all the companies who fail  
Let's send them a clear signal and stick Martha straight  
in jail  
She's an uppity rich bitch, but at least she isn't male  
So fuck you all so very much

So fuck you dickhead Mr. Cheney too.  
Fuck you and fuck everything you do.  
Your pacemaker must be fake  
You haven't got a heart  
As far as I'm concerned you're just a pasty faced old  
fart  
And as for Condoleezza she's an intellectual tart  
So fuck you all so very much

So fuck you very much the EPA

For giving all Alaska's oil away  
It really is a bummer  
When I can't fill my Hummer  
The ozone a no go zone now that Arnold's here to say  
The nuclear winter games are going to take place in LA  
So fuck you all so very much

So what the planet fails  
Lets save the great white males  
And fuck you all so very much

QUACK
