(Horn Blows)
Hello?Hello?!
Hello? Who is it?
It Is King Arthur and these are my knights of the round
table,
Whose castle is this?
This is the castle of my master, Du eiut of lalamba!
Go and tell your master that we have been charged by
god,
With a sacred quest. If you will give us food and shelter
for
The night, he can join us in our quest for the holy grail.
Well, i'll ask him but i don't think he will be very keen!
Uh, he's already got one you see!
WHAT!?! He says they already got one!
Are you sure he's got one?
Oh yes it's a very nice! uh i told them we already got
one! hehe
(snickers behind wall)
Well, uh, can we come up and have a look?
OF COURSE not! You are english Type!
Well what are you then!?
I'm french! Why do you think i have this outragious
accent you silly
King!
What are you doing in England?
Mind your own buisness!
If you are will not show us the grail, we shall have to
take your castle
By force!
You don't frighten us you English pig dogs!
Go and boil your bottoms! Son of a silly person!
I'll blow my nose at you, so called Arthur king! You and
all your silly
English cunnnnnnnnigits!
TTHPPBPBB!!(making fart nosies with tongue)
What a strange person.....
Now look her my good man..
I don't wanna talk to you no more you empty headed
animal foot

Trough water! I'll fart in your general direction! Your
mother was a
Hamster and you father smelt of eldiberry!!!!
Is there someone else up there we can talk to?
NO! Now go away or I shall taunt you a second time!
Ah well unfortunatley, our projector has broken down,
and
The other one is still at the theatre shop, so, uh while I
Get Sheila to get around and see if it's ready,
And here's a recording of an inbreaker.
