"Fuck Christmas"

Fuck Christmas!
It's a waste of fucking time
Fuck Santa
He's just out to get your dime,
Fuck Holly and Fuck Ivy
And fuck all that mistletoe
White-bearded big fat bastards
Ringing bells where e'er you go
And bloated men in shopping malls
All going Ho-Ho-Ho
It's fucking Christmas time again!

Fuck Christmas
It's a fucking Disney show
Fuck reindeer
And all that fucking snow
Fuck carols
And fuck Rudolph
And his stupid fucking nose
And fucking sleigh bells tinkling
Everywhere you fucking goes
Fuck stockings and fuck shopping
It just drives us all insane.
Go tell the elves
To fuck themselves
It's Christmas time again!

Thank you, you Santa-mental bastards!
