I bet they won't play this song on the radio  
I bet you they won't play this new (bleep) song  
It's not that it's (bleep) or (bleep) controversial  
Just that the (bleep)ing words are 'awfully strong  
You can't say (bleep) on the radio  
Or (bleep) or (bleep) or (bleep)  
You can't even say I'd like to (bleep) you one day  
Unless your're a doctor with a very large (bleep)  
So I bet you they won't play this song on the radio  
I bet you they daren't (bleep) well programme it  
I bet you their (bleep)ing old Programme Directors  
Will think it's a load of horse (bleep)
