Muddy knees have got me all a-quiver
Muddy knees have got me all aglow
Muddy knees have sent me for a paper
To a news agents near him I know

Muddy knees have sent me all a-quiver
Muddy knees have got me all aglow
Muddy knees have sent me for a paper
To a news agents near him that I know

Muddy knees have got me all a-quiver
Muddy knees have got me all aglow
Those muddy knees have sent me for a paper
To a news agents near here that I know

Them muddy knees, them muddy knees
Them muddy knees, them muddy knees, them muddy
knees
Them muddy knees have got me all a-quiver
Them muddy knees have got me all aglow
Them muddy knees have sent me for a paper
