There it is, the Bridge of Death
Oh, great
Look, there's the old man from scene 24
What is he doing here?
He is the keeper of the Bridge of Death
He asks each traveler five questions
Three questions
Three questions, he who answers the five questions
Three questions
Three questions may cross in safety
What if you get a question wrong?
Then you are cast into the Gorge of Eternal Peril
Oh, I won't go

Who's going to answer the questions?
Sir Robin
Yes?
Brave Sir Robin, you go
Hey, I've got a great idea, why doesn't Lancelot go?
Yes, let me go, my liege, I will take it single-handed
I shall make a feint to the northeast
No, no, hang on hang on hang on, just answer the five
questions
Three questions
Three questions as best you can and we shall watch
and pray
I understand, my liege
Good luck, brave Sir Lancelot, God be with you

Stop, who would cross the Bridge of Death
Must answer me these questions three, 'ere the other
side he see
Ask me the questions bridge keeper, I'm not afraid
What is your name?
My name is Sir Lancelot of Camelot
What is your quest?
To seek the Holy Grail
What is your favorite color?
Blue
Right, off you go
Oh, thank you, thank you very much

That's easy
Stop, who approaches the bridge of death
Must answer me these questions three, 'ere the other
side he see
Ask me the questions bridge keeper, I'm not afraid
What is your name?
Sir Robin of Camelot
What is your quest?
To seek the Holy Grail
What is the capital of Assyria?
I don't know that, ahh!

Stop, what is your name?
Sir Galahad of Camelot
What is your quest?
I seek the Grail
What is your favorite color?
Blue. No yellow!

Stop, what is your name?
It is Arthur, King of the Britons
What is your quest?
To seek the Holy Grail
What is the air-speed velocity of an unladen swallow?
What do you mean? An African or European swallow?
What? I, I don't know that

How do know so much about swallows?
Well, you have to know these things when you're a
king, you know
