"We Love The Yangtse"

We love the Yangtse
Yangtse Kiang
Flowing from Yushu
Down to Ching Kiang
Passing though Chung King
Wuhan and Hoo Kow
3000 miles,
But it gets there somehow
Oh! Szechuan's the province
And Shanghai is the port
And Yangtse is the river
That we all support

We love the Yangtse

Yangtse Kiang
Flowing from Yushu
Down to Ching Kiang
Passing though Chung King
Wuhan and Hoo Kow
3000 miles,
But it gets there somehow
Oh! Szechuan's the province
And Shanghai is the port
And Yangtse is the river
That we all support
