Mirror, Mirror (On the Wall)

Mirror, mirror on the wall
You and Iâ€™ve been through it all
I know that I can turn to you
And you will always tell the truth

Mirror, mirror on the wall
Youâ€™ve seen me proud
Youâ€™ve seen me crawl
You seem to read between the lines
Should we trust my heart this time

Mirror, mirror on the wall
I think that weâ€™re about to fall
Mirror, mirror tell me true
Is he the one for me and you

Mirror, mirror on the wall
Heâ€™s not the fairest of them all
But heâ€™s got something they canâ€™t see
One look at him and youâ€™ll agree

(Break)

Mirror, mirror on the wall
I think that weâ€™re about to fall
Mirror, mirror tell me true
Is he the one for me and you

Mirror, mirror on the wall
Heâ€™s not the fairest of them all
Mirror, mirror tell me true
That heâ€™s the one for me and you

Mirror, mirror yes itâ€™s true
Heâ€™s the one for me and you
