Chorus

Canteen Blues

I got the Canteen Blues

My baby sued

Down to my tennis shoes

She got drunk lord

And wrecked her car

Sued my ass

And now she's got my bar

Passed a law the other day

patron get's drunk

You gotta pay

Get's in his car

And has a wreck

Damn crazy but it's your neck

Law once said when your 21

Big guy now you can shoot a gun

Also says you can drink and smoke

New law's passed

That made it a joke

Chorus

Tavern owners you better beware

Drunk leaves your bar

It's your hair

Next thing you know

They'll pass a new law

Give a party

Your left holding the ball

What did I tell you a verse ago

Heard the news on the radio

If a guest get's drunk

Damn lock the door

He get's busted

And you'll get yours

Chorus

Morality moms must be  
Passing these laws  
Screwing with business  
Especially the bars  
What ever happened  
To the land of the free  
You get drunk  
They're gonna stomp on me

Chorus (repeat 2 times)  
Last time repeat She got drunk----
