on the verge of discession
to simple tention.
to the end of the earth
and back again.
till we feel the push
that breaks the anchor.
till we feel the world
crush down on our day.

ahhhhhhhhhhh!!!!!!!
DIS....TRUCT.....TION.....
EH....NEMIES....
swarm the earth lookin and seeking the kill...
but these forces will not get me.....
these forces cannot find....
these forces are only....,
E....LUSIONS.....OF...THE MIND.....
RAHHHHHHHHH!!!!!!

on the bridge to demensions
through tragic acceptions.
to the void of truth
that never strays.

till wew feel the push
that break the anchor.
till we feel the world
crush down on our day.

ahhhhhhhhhhh!!!!!!!
DIS..TRUCT.....TION.....
EH...NEMIES....
swarm the earth lookin and seeking the kill....

but these forces will not get me.....
these forces cannot find me....
these forces are only.....
E....LUSIONS.....OF...THE MIND.....
RAHHHHHHHHHH!!!!!!!

converging spaces,
reliving my pain.

unfolding old faces,
they'll never look the same.
there to weak to fight it off....
to weak the face the.....
forces!!!!!!!!!!!!!!
