Out of bondage, free at last
Full of fear, I was tormented by failure
I was paralyzed by choices I had made
In the night before my eyes
The taunting ghost would rise
The memories of the things I could not change
Then Jesus said my past could be forgiven
Painful shackles could all be torn away
To the chains that held me tight
God's power would be the light
And I could know the freedom of a child
Out of bondage, into freedom
Out of darkness, into light
Out of guilt to confirmation
And out of blindness, into sight
Into glorious liberation
From the chains that held me fast
Out of bondage, into freedom
From my prison I'm free
From my prison I'm free
I'm free from the fear of tomorrow
I'm free from the guilt of the past
I've traded my shackles for a glorious song
I'm free, out of bondage
I'm free, praise the Lord, free at last
I'm free, praise the Lord, free at last
