They all walked away, nothing to say  
They'd just lost their dearest friend  
All that He said, now He was dead  
So this was the way it would end

The dreams they had dreamed were not what they'd  
seemed  
Now that He was dead and gone  
The garden, the jail, the hammer, the nail  
How could a night be so long?

Then came the morning  
Night turned into day  
The stone was rolled away  
Hope rose with the dawn

Then came the morning  
Shadows vanished before the sun  
Death had lost and life had won  
For morning had come

The angel, the star, the kings from afar  
The wedding, the water, the wine  
Now it was done, they'd taken her Son  
Wasted before His time

She knew it was true, she'd watched Him die too  
She'd heard them call Him just a man  
But deep in her heart she knew from the start  
Somehow her Son would live again

Then came the morning  
Night turned into day  
The stone was rolled away  
Hope rose with the dawn

Then came the morning  
Shadows vanished before the sun  
Death had lost and life had won  
For morning had come

Then came the morning  
Shadows vanished before the sun  
Death had lost and life had won  
For morning had come  
For morning had come
