Wondering's not that hard  
But wait til it goes too far  
And tears aren't enough to hide this all

He said forever's not too late  
Blaming it all on fate  
"I've had enough of being used..."

Girl you know that he's not coming home  
It doesn't seem right to me  
Everything's empty and now you're alone  
Too bad you couldn't see

Girl you know that he's not coming home  
It doesn't seem right to me  
You never thought that you'd be here alone  
Praying for company

Life is not so hard  
And when you've come this far  
It wouldn't make sense to end it all

She said I let it get so late  
Turning her back on fate  
"It's never enough for me to choose..."

Girl you know that he's not coming home  
It doesn't seem right to me  
Everything's empty and now you're alone  
Too bad you couldn't see

Girl you know that he's not coming home  
It doesn't seem right to me  
You never thought that you'd be here alone  
Praying for company

And everlasting love  
And everlasting life  
Never last long enough before you know it's right

Girl you know that he's not coming home  
It doesn't seem right to me

Everything's empty and now you're alone  
Too bad you couldn't see

Girl you know that he's not coming home  
It doesn't seem right to me  
You never thought that you'd be here alone  
Praying for company
