Even though I know it's only
Me and my dreams
That drive me so let me go please

Let me go onto tomorrow
One day at a time
Now I know the only foe is time

22,000 days, 22,000 days
It's not a lot, it's all you've got
22,000 days

22,000 nights, 22,000 nights
It's all you know, so start the show
And this time, this time, this time feel the flow, get it
right

Now the time when I first saw you
Is over and gone
Then I knew my life with you would go on

Knowing you so much longer
I've change in mind, changed you
You have changed to mine

22,000 days, 22,000 days
It's not a lot, it's all you've got
22,000 days

22,000 nights, 22,000 nights
It's all you know, so start the show
And this time, this time, this time feel the flow, get it
right

Everybody knows, it always shows
Wasting time's an aggravation
Got no time for confrontation

You want to take a lot
By love, by law or stealth
Time's the only real wealth you have got

Even though I know it's only
Me and my dreams
That drive me so let me go please

Let me go onto tomorrow
One day at a time
Now I know the only foe is time

22,000 days, I've got 22,000 days
It's not a lot, it's all you've got
22,000 days

You've got 22,000 nights, 22,000 nights
It's all you know, so start the show
22,000 days

22,000 days, 22,000 days
It's not a lot, it's all you've got
22,000 days

22,000 nights, 22,000 nights
It's all you know, so start the show
22,000 ways
