Life is a struggle,  
Baby, you got to choose.  
Hear the call of the wild wind,  
What have you got to lose?  
So take off that coat and kick off those crazy shoes,  
I can see by your smile that you're ready,  
Well, I'm ready too.  
Oh, life is a puzzle,  
Baby, you've got to try,  
But don't let it get you,  
Don't let it pass you by  
'Cos here and now, darling,  
Here and now you've got me  
And something inside me tells me it's meant to be.

Will it be alright?  
I'm getting a message from someone.  
Will it turn out right?  
It's not just a face in the crowd.  
It's not just a face in the crowd,  
Face in crowd.

Will it be alright?  
I'm getting a message from someone.  
Will it turn out right?  
It's not just a face in the crowd.  
It's not just a face in the crowd,  
Face in crowd.

Life is a struggle,  
Baby, you got to choose.  
Hear the call of the wild wind,  
What have you got to lose?  
So take off that coat and kick off those crazy shoes,  
I can see by your smile that you're ready,  
Well, I'm ready too.

So just close your eyes,  
I'm getting a message from someone.  
Through a clear blue sky.  
It's not just a face in the crowd,

It's not just a face in the crowd,  
Face in crowd.
