I've been searching for my dream  
A hunderd times today  
I build them up, you knock them down  
Like they were made of clay

Then the tide rushes in  
And washes my castles away  
Then I'm really not so sure  
When side of the bed I should lay  
I should lay

You keep looking for someone  
To tell your troubles to  
I'll sit down and lend an ear  
Yet I hear nothing new

Then the tide rushes in  
And washes my castles away  
Then I'm really not so sure  
When side of the bed I should lay  
I should lay

The tide rushes in  
And washes my castles away  
Then I'm really not so sure  
When side of the bed I should lay  
I should lay

Blackbird sitting in a tree  
Observing what's below  
Acorns falling to the ground  
He'll stay and watch them grow
