I'm gonna' sit and watch the web
That you will build this day
Will be a thread of love you weave
It's yours to show the way
Then everything will be as you will see
In the light

With the eyes of a child
You must come out and see
That your world's spinning round
And through life you will be
A small part of a hope of a love that exists
In the eyes of a child you will see

With the eyes of a child
You must come out and see
That your world's spinning round
And through life you will be
A small part of a hope of a love that exists
