My life is not as easy as you say My life is not anything but as the day My life is surrounded by the things of the day that have gone My world is built on everything that I want can be won (one?)

Gimme' a little somethin' to help me on my way Gimme' a little somethin' to help me on my way

MotoLyrics

My heart is not as cold as you can say My heart is not anything but as the day

My heart is warmed by the way that you love and are gone

My life is founded on the thoughts that we two are just one

Gimme' a little somethin' to help me on my way Gimme' a little somethin' to help me on my way

(Love)(Love)

Gimme' a little somethin' to help me on my way Gimme' a little somethin' to help me on my way Gimme' a little somethin' to help me on my way
