We've already said goodbye
Since you gotta go
oh you'd better go now
Go now, go now (go now, ooh)
before you see me cry

I want you to tell me
just what you intend to do now
How many times do I have
to tell you darling, darling
I'm still in love with you now woh-oh

We've already said so long
I don't wanna see you go
oh you'd better go now
Go now, go now (go now, ooh)
Won't you even try

Tell me that you really
don't want me to end this way, yeah

Cause darling, darling
Can't you see I want
you to stay, yeah yeah

(instrumental)

Since you gotta go
oh you'd better go now
Go now, go now (go now, ooh)
before you see me cry

I want you to tell me
just what you intend to do now
How many times do I have
to tell you darling, darling
I'm still in love, still in love
with you now

I don't wanna see you go
but darling you'd better go now
