I don't want to go on without you
It's so bad to be alone, oh baby, come home
I need you, yes, I do now, I will be so blue
I keep seeing your face on every place

Here in the gloom of my lonely room
I hold her handkerchief and smell her sweet perfume
Yeah, baby, I can't stand to live on without you
Oh, my darling, hear my plea, come on back to me

Here in the gloom of my lonely room
I hold her handkerchief and smell her sweet perfume
I can't stand to live on without you
Oh, my darling, hear my plea, come on back to me

I can't stand to live on without you
(I can't stand to, I can't stand to live)
I need you, I'll miss you
(Don't you go now, don't you go now, don't you go now)
I don't want to go on without you
I need you
