The cars the jewelry, the clothes (it's nothing)  
The Prada the platinum, the Rovers (it's nothing)  
The mansions the jets, the dro (it's nothing)  
Everything under the sun, is old (it's nothing)  
Shootouts cooking soft, punching laws (it's nothing)  
Kappa Beach Daytona, Source Awards (it's nothing)  
High rise beach house, cuban cigars (it's nothing)  
Everything under the sun, is old (it's nothing)

[50/50 Twin]

One plus one, equals two  
Me plus her equals screw, 50 cop fur when it's cool  
Chinchillas women wear, for the pool  
And I drop the Ja, I rule  
I'm like 50 Pacs not two, boy cold from sick ha-choo  
Ask myself a question, why I do  
Punk pussy rappers, try you pip squeak  
Last one and not two, 50 a gorilla out the zoo  
Foul me like free throw shots, I shoot  
Plus I clap shots, at y'all crew  
Give a round of applause, at y'all dudes  
My brother on lock, that's why I do what I do, jeah

[50/50 Twin]

BMW jet skis, wearing no life jacket  
You better get your ring back, I'm with your wife faggot  
What if I had a disease, a chance you might have it  
She told me you never show her, a romantic night  
daddy  
That slanted white Caddy, on them swangas  
No smoking in that daddy, the seats are panda  
J-Lo get back at me, I'll make you famous  
At that flow and that rapping, you can't contain me  
Christian D.R. for her, but not for him  
You dudes wearing girl glasses, they're not for men  
All you women smoking cigarettes, you're not for Twin  
Hypnotic for me, you drinking Smirnoff again  
I burn off in the Benz, switch cars and come back

I might buy a spaceship, hit Mars and come back  
A trip at all, so I bet y'all didn't know that  
I'm in a throw-ahead jersey, y'all still in throwbacks

[50/50 Twin]

My life ain't no sad song, hold the violence  
Big pimp smash, bad hoes on the island  
Big limp walk passed, toes covered Prada  
Big chips Frito Lays, Cheeto's can't top em  
My bank account's stuffed, 6 zeros it got em  
Me saying I'm broke, same as playing possom  
Done got you all the fight money, talk I ain't squabbling  
If I do HBO time, I ain't dropping  
Mama got a pink Lamborghini, and it's rocking  
Drop your c.d. same day as me, and it's flopping  
Drug deal in Toronto, watching nice hockey  
I turn heads walking, nigga the girls gon watch me  
50/50 big man, holla at papi  
If you wanna learn to be cocky, step back and watch me

Like I said, all the above it's nothing
