Well I've always been a dreamer  
And I sometimes play the fool  
But when the lights go down  
And I hear the crowd then I'm cool;  
Then I sing my songs of freedom  
And I sing my songs of love  
But there's nothing changed  
'Cause I'm still the same as I was.

You gotta keep on, keep on searching,  
You gotta keep on searching  
And I believe I've found the way  
Along the road, along the road of freedom;  
You gotta keep on trying to belong.  
Come sing the song, be strong.

I sometimes think that the world's gonna pass me by.  
In my mind I ask myself the reason why  
And, before I know, the answer's come and gone,  
And, before I know, the music's turned me on.

Well I sometimes stop and wonder  
Just what we are doing now,  
Life has got to change,  
Maybe we can arrange it somehow.
