nights in white satin
never reaching the end
letters ive written
never meaning to send
beauty id always missed
with these eyes before
just what the truth is
i cant say anymore

cause i love you
yes i love you
i love you

gazing at people
some hand in hand
just what im going through
they cant understand
some try to tell me
thoughts they cannot defend
just what you want to be
you will be in the end

and i love you
yes i love you
i love you

nights in white satin
never reaching the end
letters ive written
never meaning to send
beauty ive always missed
with these eyes before
just what the truth is
i cant say anymore

cause i love you
yes i love you
i love you

cause i love you yes i love you i love you
