Look out of my window  
See the world passing by  
See the look in her eye

One more time to live and I have made it mine  
Leave the wise to write for they write worldly rhymes  
And he who wants to fight begins the end of time  
For I have riches more than these  
For I have riches more than these

Desolation  
Creation  
(Tell me someone why there's only confusion)  
Evolution  
(Tell me someone that this is all an illusion)  
Pollution  
(Tell me someone)  
Saturation  
(Tell me someone)  
Population  
Annihilation

Revolution  
(Tell me someone why this talk of revolution)  
Confusion  
(Tell me someone when we're changing evolution)  
Illusion  
(Tell me someone)  
Conclusion  
(Tell me someone)  
Starvation  
Degradation

(Changes in my life)  
Humiliation  
(Changes in my life)  
Contemplation  
(Changes in my life)  
Inspiration  
(Changes in my life)  
Elation  
Salvation

(Changes in my life)  
Communication  
Compassion  
Solution

Look out on the hedgerow  
As the world rushes by  
Hear the birds sing a sigh

One more tree will fall how strong the growing vine  
Turn the earth to sand and still permit no crime  
How one thought will live provide the others die  
For I have riches more than these  
For I have riches more than these
