Time hurries on  
Look and it's gone  
The changing of the autumn tide  
The hopes that live  
The dreams that die  
If I could have you by my side  
I'd give it all away

You you and I  
We must hold on  
We must try  
To reach beyond that far off cloud  
Along the road we're travellin now  
If I could only show you how  
I need you there with me

Oh running water  
Don't care what people say  
We live to love another day

Oh running water  
Don't throw your love away  
We live to love another day

Time hurries on  
Turn around and it's gone  
If only we could hold that dream  
If only life was what it seemed  
I know my darling what you mean  
I've seen it slip away

Oh running water  
Don't care what people say  
We live to love another day  
Oh running water  
Don't throw your love away  
We live to love another day
