Where did we go wrong?
We had all the magic to put us on our way
And all the tragedy that we ever wanna see
But you know I'm right
When I say
The best is yet to come.
Where did we go wrong?
Was is so enlightening we couldn't find our way
And all so frightening
We couldn't see which way to move?
Well, you know I'm right
When I say
The best is yet to come.

And if you leave me now
Like you say you might,
Oh please don't leave now
'Cause I know if you do
None of this will come true.

Where do we go now,
Now your heart is aching
And leadin' you astray?
And, me, I'm burning up
Trying to get you to stay
'Cause you know I'm right
When I say
The best is yet to come
And you know
The best is still to come.

And if you leave me now
Like you say you might,
Oh please don't leave now
'Cause I know if you do
None of this will come true, so...

Where did we go wrong?
We had all the magic to put us on our way
And all the tragedy that we ever wanna see
But you know I'm right

When I say
The best is yet to come
And you know
The best is still to come.
