And when I see you, my lips can't speak
And when I'm near you, my heart goes weak.
All I'm searching for, all I can say,
You've taken everything I had
And thrown it all away.
And when I touch you, you send a shiver to my mind
And when my eyes close, I see you all the time.
All I'm certain of, all I can say
I gave you all the love I had.
You've thrown it all away

Lover [Lover]
Can you hear me calling? [Hear me calling]
Lover [Lover]
Can you hear me calling you? [Hear me calling, calling
you]
What can I say?
What can I do?

[Taken everything you've had
And thrown it all away]
All I'm searching for,
All I can say.
You've taken everything I had
And thrown it all away
