We can run
We can ride
We can fly

We can love
We can live
We can fly

Standing in the shadows
Waiting for the light
Steal away the darkness
Take me home tonight
I love you for the beauty
in our lives

Treasure every moment
Never be apart
Follow every footstep
Take me to your heart
I want to feel the freedom
in our lives

We can run
We can ride
We can fly
No Matter what they say

We can love
We can live
We can fly

Standing in the shadows
Waiting for the light
Steal away the darkness
Take me home tonight
I want to feel the freedom
in our lives

We can run
We can ride
We can fly
No matter what they say

We can love
We can live
We can fly

We can run
We can ride
We can fly
No matter what they say

We can love
We can live
We can fly

We can run
We can ride
We can fly
No matter what they say

We can love
We can live
We can fly

We can run
We can ride
We can fly
No matter what they say

We can love
We can live
We can fly

We can run
We can ride
We can fly
No matter what they say...
