Who could change
Or re-arrange
The love I have for you?
Who could feel
The way I feel,
The way you make me do?
Nothing I can say
Will make this feeling go.
Nothing I will say,
No word, no thought will show
Take it away
From me.

Who could know,
Begin to show
The love before my eyes?
Who could dream,
Know what it means
Of love the way you do?

Somewhere in this
Crazy dream
That we call life,
Someone who can give
You time and rest from strife,
Take it away
From me.

Who could change
Or re-arrange
The love I have for you?
Who could feel
The way I feel,
The way you make me do?

Who would know
Or even show
Their dream before my eyes?
Who would try
So hard they cry
And never say a word?

Who can see
The way you see?
I'm down upon my knees.
Who can hide
The hurt inside
In love, that's part of you?

Who has thought
Of no-one else,
No love, no dream denied?
Who has made my life complete,
That reason that I live?
You. You. You.
