This is just my love song
And I'll sing it just for you
To tell you of my feelings
With harmonies so strong.
Although my words aren't new.
I found out what true love's about,
You came into my life,
You make me feel alright.
You make me feel alright.
You make me feel alright.
You make me feel alright.
I feel alright.

A woman's intuition
Helps you see things very clear
So feel my jubilation
You are my inspiration
So wipe away your tears.

I found out what true love's about,
You came into my life,

You make me feel alright.
You make me feel alright.
You make me feel alright.
You make me feel alright.

I feel alright.

And if I was to say
You are my everything:
Could you believe?
Would you believe
You're my life?

I found out what true love's about,
You came into my life,

You make me feel alright.
You make me feel alright.
You make me feel alright.

You make me feel alright.

I feel alright.

I know the situation,
I know exactly how you feel.
I'll try to bring you laughter,
Love forever after,
And I'll show you that it's real.

You came in and the whole thing started,
Love came into my life,

You make me feel alright.
You make me feel alright.
