Easy come
Easy go
Easy girls, girl
Rock 'n roll

Easy come
Easy go
Easy girls
Rock 'n roll[x2]

What ever happened to one night of fun? What ever happened to living on the run? What ever happened to forever young? What ever happened to never falling in love?

You said once was enough
And now you want to, make plans, hold hands, not a chance.

It was a one night stand
I thought i'd let you know.
One night stand, I gotta hit the road. One night stand,
you gotta let me go. Cause i'm in love with rock 'n roll.

Easy come, easy go,
Cause I'm in love with rock 'n roll
Easy some, easy go, easy girls, rock 'n roll

What ever happened to needing no one? What ever happened to just getting it done? What ever happened to no emotions? What ever happened to never falling in love?

You said once was enough
And now you want to, make plans, hold hands, not a chance.

It was a one night stand
I thought i'd let you know.
One night stand, I gotta hit the road. One night stand,
you gotta let me go. Cause i'm in love with rock 'n roll.

Easy some, easy go
Cause I'm in love with rock 'n roll[x4]

[guitar solo]

It was a one night stand
I thought i'd let you know.
One night stand, I gotta hit the road. One night stand,
you gotta let me go. Cause i'm in love with rock 'n
roll.[x2]
