You fooled me, dear, now for a year
My heart you tantalize
But without a doubt, I have found out
The secret in your eyes

Your lips tell me no, no
But there's yes, yes in your eyes
I've been missin your kissin
Just because I wasn't wise
I'll stop my scheming and dreaming
Cause I realize
Your lips tell me no, no
But there's yes, yes in your eyes

I never knew just what to do
You had me fooled somehow
You made me guess, but I confess
I know your secret now

Your lips tell me no, no
But there's yes, yes in your eyes
I've been missin your kissin
Just because I wasn't wise
I'll stop my scheming and dreaming
Cause I realize
Your lips tell me no, no
But there's yes, yes in your eyes
